### Statement of VET Tuition Assurance

1. Under the provisions of *Schedule 1A of the Higher Education Support Act 2003* (HESA) and Chapter 3 of the VET Provider Guidelines Bedford College (the First Provider) must comply with the VET Tuition Assurance requirements. This is to protect students in the event that Bedford College ceases to provide a VET course of study in which a student is enrolled. The meaning of 'ceasing to provide a VET course of study' is set out at paragraph 3.1.25 of the VET Provider Guidelines. A copy of these is available from: <http://www.dest.gov.au/NR/rdonlyres/4E884348-34B3-4113-9487-147EDDFBAE31/22530/VETProviderGuidelinesSignedPDF.pdf>
2. In the event that Bedford College ceases to provide a VET course of study in which a student is enrolled the student is entitled to a choice of:
  - a) an offer of a place in a similar VET course of study with a Second Provider without any requirement to pay the Second Provider any VET tuition fee for any replacement VET units (this is known as the "**VET Course Assurance Option**");
  - OR**
  - b) a refund of his or her up-front VET payments for any VET unit of study that the student commences but does not complete because Bedford College ceases to provide the VET course of study of which the VET unit forms part (this is known as the "**VET Tuition Fee Repayment Option**")
3. Bedford College has met the VET tuition assurance requirements as specified in the VET Provider Guidelines through its current membership of the Australian Council for Private Education and Training (ACPET) Australian Student Tuition Assurance Scheme (ASTAS). 6. A student may choose either:

**The VET Course Assurance Option:**

7. Under the VET course assurance option, a student will be offered a place in a similar VET course of study by ACPET . If the student accepts this option, ACPET will make all necessary arrangements to ensure a student is able to enrol with the Second Provider in the similar VET course of study. This offered VET course will lead to the same or a comparable qualification without any requirement on the part of the student to pay the Second Provider any VET tuition fee for any replacement VET units (that is, units that the student had commenced but not completed because the VET course ceased to be offered). A student will receive full credit from the Second Provider for any VET units of study successfully completed at Bedford College.
8. The Second Provider nominated by ACPET may have different VET tuition fees to the fees the student would have paid for VET units of study which were part of the VET course of study that Bedford College ceased to provide but which the student had not yet started studying.
9. A student is not obliged to enrol in a VET course of study with a Second Provider offered by ACPET under the VET Course Assurance Option. However, if he/she enrolls with any other VET provider there is no obligation on that VET provider to offer full credit transfer for the VET units of study completed with Bedford College or to offer replacement VET unit/s free of charge.

**OR**

**The VET Tuition Fee Repayment Option**

10. Under the VET Tuition Fee Repayment Option, ACPET undertakes to pay the student the total of any up-front VET payments already paid by the student for any VET units of study the student has commenced but not completed because the VET course ceased to be offered. Students selecting this option will also have their FEE-HELP balance re-credited for the uncompleted VET units.
