** Automatic Entry

Universities marked (**Automatic Entry) above are the only universities where enrolment acceptance for diploma graduates can be guaranteed. However, due to the quality of Bedford's training and our excellent reputation, our graduate acceptance rate into university is unsurpassed. Other universities (including some universities not mentioned above) will provide entry to students on a case-by-case basis.

When considering a university pathway, please check with Bedford staff as the list of formal agreements and pathways between Bedford College and universities is constantly increasing and there are currently some formal agreements pending.
