

Course Structure and Hours

Students attend College three days a week from 9am to 3pm, spend one day in the online classroom and one day per week undertaking work placement. An optional supervised study period is available from 3pm–4pm each day for students who need additional help or revision. Students also undertake 35 hours of mandatory work placement during week 30 of the course.

Dual Diploma

Diploma of Business (BSB50215) and the Diploma of Leadership and Management (BSB51915)

The Dual Diplomas can be completed in one year. The Diploma of Business has 8 compulsory units and the Diploma of Leadership and Management has 12. By completing the 8 units common to both diplomas and the additional 4 units from the Diploma of Leadership and Management, students will satisfy the criteria to receive both Diplomas, and be eligible to graduate with an AQF qualification in each. Graduates will possess qualifications which allow them the opportunity to work in a wide range of roles and thereby increase employment and further education opportunities.

Small Class Sizes

The College is committed to training in small groups and class sizes are therefore limited in numbers (usually fewer than 20 students) thus allowing teachers to provide individual attention to all students.

Enrolment

- ▶ Satisfactory completion of Year 10
- ▶ No ATAR is required
- ▶ Students who have not completed Year 12 undertake the mandatory government-approved test in reading and numeracy (LLN); This test is arranged for you by the College.

Unique Student Identifier (USI)

Students are required to have a Unique Student Identifier in order to undertake a nationally recognised course. For more details go to www.usi.gov.au

University Pathways

On completion of the Bedford course, many diploma graduates choose to further their studies at higher-education level. We are pleased to be able to provide our graduates with guaranteed entry (with credit) into a range of leading universities. Many university programs are flexible and can be undertaken full-time on campus or part-time whilst working. It's true to say that there are currently Bedford Graduates studying in almost every university in New South Wales. Check our website for more details.

VET Student Loans Available

VET Student Loans is an Australian Government loan scheme that provides assistance for eligible applicants (Australian Citizens and holders of a Humanitarian Visa only) to pay their tuition

fees for higher level VET courses. No interest is charged on the loan. For more details go to: www.education.gov.au/vet-student-loans

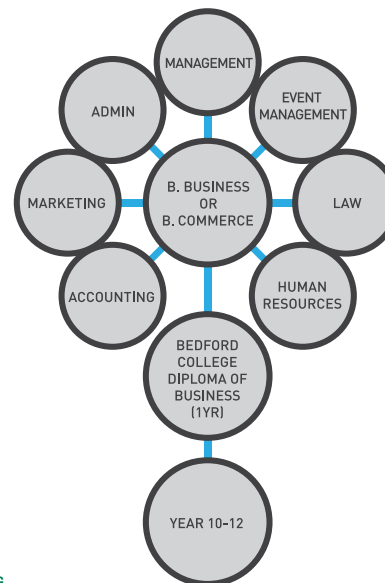

Commonwealth Benefits Are Available

Youth Allowance & Austudy/Abstudy benefits are available to eligible applicants, more information is available through Centrelink on 13 2490.

BUSINESS

Diploma

Established in 1944, Bedford College is a well-respected not-for-profit Registered Training Organisation (RTO) with a long-standing reputation for training excellence in a caring, friendly environment.

The College places importance on attitude, respect, acceptance, tolerance, honesty and a belief that every person can achieve their personal best if they are provided with the right opportunities.

Did you know that business is the largest cross-industry sector in the world today? In Australia alone, the number of workers employed in business and management is approximately 16% of the entire workforce. Business is perhaps one area of employment where demand for workers exceeds supply.

Fully Accredited Courses

Bedford College is registered in Australia by the Australian Skills Quality Authority (ASQA). All courses are fully accredited and align with the Australian Qualifications Framework (AQF). This means that the qualification you receive at Bedford is recognised by industry and other training providers and is therefore portable should you wish to advance your studies later.

"Studying Business at Bedford College has given me a clearer vision for my future career objectives."

Jamie Morgan
