Unique Student Identifier (USI)

Students are required to have a Unique Student Identifier in order to undertake a nationally recognised course. For more details go to www.usi.gov.au

Small Class Sizes

The College is committed to training in small groups and class sizes are therefore limited in numbers (usually fewer than 20 students) thus allowing teachers to provide individual attention to all students.

University Pathways

On completion of their Bedford course, many diploma graduates choose to further their studies at higher-education level. We are pleased to be able to provide our graduates with guaranteed entry (with credit) into a range of leading universities offering B.Social Welfare, B.Social Work and B.Social Science degrees. Many university programs are flexible and can be undertaken full-time on campus or part-time whilst working. It's true to say that there are currently Bedford Graduates studying in almost every university in New South Wales. Check our website for more details.

VET Student Loans Available

VET Student Loans is an Australian Government loan scheme that provides assistance for eligible applicants (Australian Citizens and holders of a Humanitarian Visa only) to pay their tuition fees for higher level VET courses. No interest is charged on the loan. For more details go to: www.education.gov.au/vet-student-loans

COMMUNITY SERVICES

DIPLOMA

COMMUNITY SERVICES

Diploma

Established in 1944, Bedford College is a well-respected not-for-profit Registered Training Organisation (RTO) with a long-standing reputation for training excellence in a caring, friendly environment.

The College places importance on attitude, respect, acceptance, tolerance, honesty and a belief that every person can achieve their personal best if they are provided with the right opportunities.

This qualification reflects the roles of community services, case management and social housing workers involved in the managing, co-ordinating and/or delivering of person-centred services to individuals, groups and communities. Individuals at this level have specialised skills in community services and work autonomously under broad directions from senior management. Workers may also have responsibility for the supervision of other workers and volunteers, case management, program coordination and/or the development of new business opportunities.
